

## TRANSCEND SCHOOL

### Annual Report – 2024-25

The academic year 2024-25 at our school was a year of inspiration, growth, and meaningful experiences, woven together with moments of joy, learning, and achievement. Every event was a stepping stone towards shaping well-rounded individuals who are not only academically proficient but also socially responsible and culturally grounded.

We began the year with **Teacher Orientation**, an intensive program designed to equip our educators with the latest pedagogical tools, collaborative strategies, and innovative methods of classroom engagement. This orientation set the tone for a year driven by excellence, creativity, and a commitment to holistic education.

On **5th June**, the school joined the global movement in observing **World Environment Day**. Through plantation drives, awareness talks, and creative activities, our students learned the significance of conservation and sustainable living. It was a day that reminded us that small actions can lead to big environmental changes.

The focus then turned inward to well-being, as we celebrated **International Yoga Day** on **21st June**. Students and teachers came together in rhythmic unison, performing asanas and breathing exercises that nurtured both body and mind. The session emphasized mindfulness, balance, and the importance of a healthy lifestyle.

On **16th July**, our students embarked on a delightful **movie outing to Chandu Champion**, an inspiring sports drama that reinforced the values of perseverance and courage. This outing offered not just entertainment, but also motivation to overcome challenges and dream big.

July also marked the beginning of **Tarangini**, our much-awaited **intraschool cultural competitions**, which commenced on **1st July** and spanned several days. Students showcased their creativity in music, dance, drama, and art, with the school buzzing with talent, enthusiasm, and healthy competition. The spirit of participation was matched by academic diligence as the **SAFAL Exams** for CBSE were conducted on **22nd July**, testing the students' conceptual understanding and problem-solving abilities.

On **23rd July**, curiosity met innovation at an **Artificial Intelligence Seminar**, where students were introduced to AI concepts, real-world applications, and future career possibilities in technology. This was followed by a proud and formal occasion — the **Investiture Ceremony** on **25th July**. Student leaders were invested with badges and responsibilities, pledging to serve the school with integrity and dedication.

Safety preparedness was given high priority with a **Fire Mock Drill** conducted on **8th August**, where students learned emergency evacuation techniques and the importance of quick, calm responses during crises. Soon after, patriotism filled the air as we celebrated **Independence Day** on **15th August** with a grand display of cultural performances, speeches, and the unfurling of the national flag.

Cultural heritage was honoured with the vibrant celebration of **Krishna Janmashtami** on **26th August**, complete with devotional songs, dance performances, and traditional decorations that transformed the school into a scene of festive devotion. On **4th September**, students enjoyed a nature-rich **trip to the Bannerghatta Biological Park**, observing diverse wildlife and learning about conservation efforts first-hand.

The month of September was further brightened with heartfelt **Teachers' Day** celebrations on **5th September**, where students expressed gratitude to their mentors through performances and tokens of appreciation. Devotional fervor continued with **Ganesh Chaturthi** celebrations on **9th September**, filling the campus with music, prayers, and colorful decorations. Creativity flourished during the **Art Workshop** on **29th September**, where students explored new mediums and techniques under the guidance of expert artists.

The last term of the year brought awareness and competition in equal measure. On **5th November**, a **Traffic Awareness Program** educated students on road safety rules and responsible commuting. This was followed by the **CBSE Heritage Quiz** on **19th November**, where our budding historians displayed their knowledge about India's rich culture and traditions.

The much-anticipated **Annual Sports Day** was held on **24th December**, a grand celebration of athleticism, teamwork, and sportsmanship. Students participated in track events, games, and group activities, cheered on by parents and teachers.

As the calendar turned to 2025, we held a **Financial Literacy Workshop** on **30th January**, empowering students with essential skills in money management, budgeting, and smart financial habits. Finally, the year concluded on an emotional note with the **Tenth Standard Valedictory Ceremony** on **2nd February 2025**, where we bid farewell to our graduating batch, celebrating their journey and wishing them success in all future endeavors.

The year 2024-25 will be remembered as one of dynamic learning, cultural enrichment, and the fostering of life skills that extend beyond textbooks. Each event was a step towards our vision of shaping confident, compassionate, and capable global citizens.
